## TYSON STELZER'S DREAM DOZEN PRESTIGE CUVIES

### Champagne Henriot CUVE 38 19.25 / 20 (97 pts.)

Not the first time I've witnessed the other worldly freshness that can be sustained by annually refreshing a grand old solera, but I was stunned by the unbridled joy of youth radiating from this glass. The wisdom of maturity is articulated in secondary richness, but its's still far from tertiary in its development. It will effortlessly take another 25 years in its stride. Drink 2015-2040.
