

“Champagne Henriot has never been better.”

-Ronn Wiegand

★★★★+ **Champagne Henriot Brut Souverain NV**

The Brut Souverain is remarkably good: both fresh and complex in character, it is medium bodied, crisp, well balanced, and fairly intense in flavor (apple, pineapple, peach, candied lemon, roasted nut), with a very long finish. Excellent!

★★★★★ **Champagne Henriot Blanc de Blancs NV**

The Blanc de Blancs is exceptional: medium bodied, intense and complex in flavor (pineapple, toast, pear, lemon, honey, roasted nut), with excellent balance, and a crisp, persistent finish. First rate.

★★★★★ **Champagne Henriot Brut Rosé NV**

The Brut Rosé is stunning: medium reddish pink color, very finely flavored (peach, strawberry, raspberry, pineapple, lemon, honey, toasted almond), it is smoothly textured yet crisp, with excellent balance, a long flavor evolution, and a long, harmonious finish. An outstanding wine—and the best version of it I have tasted!
