

# RÉSERVE DES BERTRANDS ÉLÉGANCE 2018

**2018 VINTAGE NOTES:** Côtes de Provence. The 2018 vintage in Provence was a very round and sound year. After an unusually wet spring, September was a warm, sunny month, allowing the wines to be representative of the region's style.

## TERROIR:

- Estate sits on a primitive area with soil dating back more than a million years
- Shale and sandstone soil gives the rosé unique freshness with a delicate, silky-smooth finish

**GRAPE VARIETIES:** 40% Grenache, 40% Cinsault, 20% Syrah

**VINIFICATION:** Direct destemming and pressing, followed by selection of juices, decanting and fermentation at 59°F.

**TASTING NOTES:** Pale peach and melon color, with a nose of fragrant ripe fruits. Balanced round palate, with a dry but mellow development.
