BOUCHARD PÈRE & FILS

FONDÉE EN 1731

**Premier Cru Meursault
Genevrières 2011**

There is almost no golden highlights to the color, indeed it has the appearance of a very young wine. The fresh, cool and restrained nose reflects only moderate maturity on the notes of pear and green apple scents along with the hallmark spiciness of a fine Genevrières. There is fine intensity to the delineated, energetic and mineral-inflected medium-weight flavors that exude a refreshing salinity on the long, balanced and stylish finish. This is lovely and harmonious and for my taste, a wine that has largely arrived at its peak despite the magnum format though it should of course continue to hold for at least another decade.
