November 2022

Brut Souverain NV

91 Points

A well-structured Champagne, with racy acidity and a smoke- and chalk-tinged minerally underpinning, this has a fine and creamy texture that becomes a lacy frame for flavors of fresh-cut apple, star fruit, salted almond and a pleasingly bitter hint of pink grapefruit pith. Pinot Noir, Chardonnay and Pinot Meunier.

Blanc de Blancs NV

93 Points

A finely integrated Champagne, with flavors of ripe apricot and yellow pear fruit enriched by subtle notes of toasted brioche and lemon-infused pastry cream set on a cashmerelike mousse. Reveals hints of oyster shell, spices and white blossoms on the mouthwatering finish.

Rosé NV

92 Points

This mouthwatering rosé shows finesse and style, as flavors of pink grapefruit sorbet, white cherry, lemon blossoms and blanched almond dance across the palate on a lightly chalky mousse. Pinot Noir, Chardonnay and Pinot Meunier.
